Local conditions before purchasing for short-term rental · How to approach it?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

For the specific municipality or city, specify the exact location and the planned type of accommodation.

A starting point in practice

Keep the exact title of the local act, the date of verification and the written response.

Check whether the plan can be realised in that building, area and business status.

Working example · Local conditions before purchase for short-term rental

Check whether the plan can be realised in that building, area and business status.

Specific next steps

1. Keep the exact title of the local act, the date of verification and the written response.
2. Check whether the plan can be realised in that building, area and business status.
3. Include a review period in the financial plan before making a binding purchase or undertaking refurbishment.

Limits of application

According to the type of building, the dates of application and the transitional provisions.
