Gross booking price, commission and payout · How to approach it?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

First, deduct the guest's price from the net amount credited to the account.

A starting point in practice

Keep the booking report, the commission invoice and the payment statement.

Compare a single reservation in the sales currency, the refund amount and the bank amount.

Working example · Gross booking price, commission and payout

Compare a single reservation in the sales currency, the refund amount and the bank amount.

Specific next steps

1. Keep the booking report, the commission invoice and the payment statement.
2. Compare a single reservation in the sales currency, the refund amount and the bank amount.
3. Separate the monthly review by sales source and tax-relevant records.

Limits of application

For household activities, by type of establishment, status and location.
