Gross booking price, commission and payout · How to check this with an example?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare a single reservation in the sales currency, the refund amount and the bank amount.

Checking by example

First, deduct the guest's price from the net amount credited to the account.

Keep the booking report, the commission invoice and the payment statement.

Working example · Gross booking price, commission and payout

Keep the booking report, the commission invoice and the payment statement. If multiple bookings make up a single payment, reconcile them individually by reference number.

Specific next steps

1. First, deduct the guest's price from the net amount credited to the account.
2. Keep the booking report, the commission invoice and the payment statement.
3. If multiple reservations constitute a single payment, reconcile them individually by tag.

Limits of application

For household activities, by type of establishment, status and location.
