Commission account of a foreign platform · What to note?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Keep the commission invoice, VAT details and the payment due to it.

Record and working document

Separate your personal tax status from the possible treatment of the service received.

If the VAT is displayed unexpectedly, request a check before making any corrections yourself.

Working example · Platform commission account from abroad

Separate your personal tax status from the possible treatment of the service received.

Specific next steps

1. Separate your personal tax status from the possible treatment of the service received.
2. If the VAT is displayed unexpectedly, request a check before making any corrections yourself.
3. Agree with the accountant a policy for reviewing all platform fees.

Limits of application

For household activities, by type of establishment, status and location.
