Foreign platform commission account · How to access?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check the actual issuer and country on the statement, not just the app's name.

A starting point in practice

Keep the commission invoice, VAT details and the payment due to it.

Separate your personal tax status from the possible treatment of the service received.

Working example · Platform commission account from abroad

Separate your personal tax status from the possible treatment of the service received.

Specific next steps

1. Keep the commission invoice, VAT details and the payment due to it.
2. Separate your personal tax status from the possible treatment of the service received.
3. Agree with the accountant a policy for reviewing all platform fees.

Limits of application

For household activities, by type of establishment, status and location.
