# Commission account of a foreign platform · How to verify it with an example?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

**Separate your personal tax status from the possible treatment of the service received.**

## Checking by example

Check the actual issuer and country on the statement, not just the app's name.

Keep the commission invoice, VAT details and the payment due to it.

## Working example · Platform commission account from abroad

Keep the commission invoice, VAT details and the payment due to it. If the VAT is shown unexpectedly, request a verification before making any correction yourself.

## Specific next steps

1. Check the actual issuer and country on the statement, not just the app's name.
2. Keep the commission invoice, VAT details and the payment due to it.
3. If the VAT is displayed unexpectedly, request a check before making any corrections yourself.

## Limits of application

For household activities, by type of establishment, status and location.
