The slowest step before expanding the team · How to approach it?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Measure the actual waiting times and queues between execution steps.

A starting point in practice

Record entry and exit dates, returned work and waiting for approval.

Check whether increasing the workload in the first step would only lengthen the existing queue.
