The cost-effectiveness of frequent changes within a fixed price · How to introduce the procedure into routine operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Prepare two quotes: a fixed-price one with a clear scope and a flexible hourly one.

Regular application

Keep separate records of the original performance hours and the hours of modifications as required.

Compare the project price with the internal cost after two revisions.

Working example · The cost-effectiveness of frequent changes within a fixed price

Compare the project price with the internal cost after two revisions.

Specific next steps

1. Keep separate records of the original performance hours and the hours of modifications as required.
2. Compare the project price with the internal cost after two revisions.
3. If the contract has no limit on amendments, agree how you will confirm the expanded scope.

Limits of application

Apply the guideline to your documents and working methods.
