Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Send the buyer an order summary that matches the purchase display.

Regular application

Save the version of the billing step that was active for a particular order.

Test the display with a coupon, without a coupon, on a mobile phone and with an incorrect entry.

Working example · Purchase clarity immediately before ordering

Test the display with a coupon, without a coupon, on a mobile phone and with an incorrect entry.

Specific next steps

1. Save the version of the billing step that was active for a particular order.
2. Test the display with a coupon, without a coupon, on a mobile phone and with an incorrect entry.
3. If a cost only appears after confirmation, amend the itinerary and check the mandatory pre-contractual information.

Limits of application

For covered distance consumer contracts, with exceptions.
