Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Test the display with a coupon, without a coupon, on a mobile phone and with an incorrect entry.

Checking by example

Proceed with the purchase as a guest and note when the total cost and delivery are visible.

Save the version of the billing step that was active for a particular order.

Working example · Purchase clarity immediately before ordering

Keep a record of the billing step version that was active for each order. If a charge only appears after confirmation, reorder the workflow and verify the mandatory pre-contractual information.

Specific next steps

1. Proceed with the purchase as a guest and note when the total cost and delivery are visible.
2. Save the version of the billing step that was active for a particular order.
3. If a cost only appears after confirmation, amend the itinerary and check the mandatory pre-contractual information.

Limits of application

For covered distance consumer contracts, with exceptions.
