Allocation of investment and powers when establishing a company · How to verify this using an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Go through an example of a larger expense on which the founders disagree.

Checking by example

Before making a payment, agree who is contributing money, equipment, time and contacts.

Record the decisions regarding management, representation and the manner of ending the collaboration.

Working example · Allocation of investment and authority when establishing a company

Record the decisions on management, representation and the method for terminating the collaboration. If expectations differ, align the contract with professional assistance before registration.

Specific next steps

1. Before making a payment, agree who is contributing money, equipment, time and contacts.
2. Record the decisions regarding management, representation and the manner of ending the collaboration.
3. If expectations differ, have the contract aligned with professional assistance before registration.

Limits of application

For procedures covered by the START system.
