## When a plan meets an obstacle

Article 35(1) provides for the preservation of issued and received e-invoices in their original form for six years after the end of the year of issue, subject to the legal requirement of fiscalisation.

Retain the fiscalisation status that belongs to the original record.

## Working example · Original e-Invoice format for archiving

When replacing the business software in December, the entrepreneur selects the January invoice and checks whether he can retrieve the same original record with its associated fiscalisation status. The PDF from the print folder serves as a preview.
